14.18.19

EASY

WHAT YOU'LL NEED

- 3 x Mason Jars
- Acrylic paint
- Paint Brushes
- Super long glue stick value pack
- Hot glue gun
- Pencil

INSTRUCTIONS

Step 1. Start by using a pencil or marker to draw out design onto jar. We chose the words love, home and a love heart shape. You will be painting over this later so don't worry if you make a mistake.

Step 2. Heat up hot glue gun and trace around the designs on the mason jar with glue. If you make a mistake just peel off glue once it's dry and start again. You want to try and achieve clean solid lines of glue so the design is visible once painted over.

Step 3. Paint the mason jars with acrylic paint, you may need to do a few coats to get solid coverage. Ensure the glue designs are fully covered in paint. Allow to dry between each coat. Repeat for each jar.

Step 4. Once jars are completely dry fill with real or faux flowers and put on display!
