14.18.26

EASY

## WHAT YOU'LL NEED

- Planter pot
- Acrylic paint
- Paint brushes
- Water for cleaning brushes

## INSTRUCTIONS

**Step 1.** Decide on pattern or design. Due to the hexagonal tile pattern on the pot we chose to paint in a horizontal line pattern with different colours.

**Step 2.** With a small paint brush paint each hexagon shape working your way around the pot. Repeat this for each line/colour.

**Step 3.** Allow time to dry between each coat.

**Step 4.** Once finished fill with real or faux plants and display in your home.
