TULIP TOTE BAGS

i EASY

Remember those carefree days of playing with Barbie dolls, dreaming of being a real-life Barbie girl in a Barbie world? Now, you can bring that magic to life and satisfy your love for all things pink and fashionable with the help of Tulip One-Step Tie Dye and Tulip Fabric Markers. Get ready to craft a jaw-dropping tote bag that even Margot Robbie would envy!

WHAT YOU'LL NEED

- Tulip One-Step Tie-Dye (Pink)
- Tulip Fabric Markers (Pink, Magenta)
- White 100% cotton tote bag
- Cardboard or freezer paper
- Iron
- Pencil
- Water
- Protective surface cover

INSTRUCTIONS

Step 1 - Prepare Your Workspace

Before diving into the tie-dye magic, it's essential to protect your work area. Lay down a protective surface cover to prevent any unwanted mess.

Step 2 - Prepare the Fabric

Start by prewashing the cotton tote bag to remove any sizing or impurities. This step ensures better dye absorption. Once clean and dry, lay the tote bag flat on your workspace.

Step 3 - Crumple and Secure

Fold or crumple the tote bag into a desired pattern. You can scrunch it randomly or create deliberate folds—let your artistic instincts guide you! Once finished, secure the fabric in place using rubber bands. The more folds and crinkles, the more intricate your tie-dye design will be.

Step 4 - Prepare the Dye

Put on your plastic gloves to protect your hands. In a plastic squeeze bottle,

mix the pink Tulip One-Step Tie Dye with water according to the instructions on the packaging. Shake well to ensure the dye is thoroughly mixed.

Step 5 - Apply the Dye

Squeeze the pink dye onto different sections of the crumpled tote bag. Be generous with the dye, allowing it to seep into the fabric folds. Flip the bag and repeat the process on the other side. For added vibrancy, you can alternate between different shades of pink.

Step 6 - Wrap It Up

Wrap the dyed tote bag in plastic wrap or sealed bag, ensuring all sections are covered. This step helps the dye set. Allow the wrapped bag to sit undisturbed for the recommended time mentioned in the kit instructions.

Step 7 - Rinse and Reveal

Carefully remove the rubber bands and unwrap the tote bag. Rinse it under cold water until the water runs clear. Then, wash the tote bag separately using a mild detergent. Once dry, your stunning crumple tie-dye Barbie-inspired tote bag is ready to make a statement!

Step 8 - Sketch the Heart Pattern (Optional)

Using a pencil, lightly sketch a heart-shaped pattern on the front of the tote bag. You can create a single large heart or multiple smaller hearts. Let your creativity shine!

Step 9 - Outline the Hearts (Optional)

Using a magenta Tulip Fabric Marker, carefully trace the pencil heart outlines. Ensure smooth and even lines to create a polished look.

Step 10 - Fill in the Hearts (Optional)

Take your pink Tulip Fabric Marker and fill in the hearts with vibrant color.

Your Barbie-inspired tote bag is complete! Whether you wear it to the beach, a shopping spree, or a night out, get ready to turn heads and embrace your inner fashionista. With Tulip One-Step Tie Dye and Tulip Fabric Markers, you've brought childhood dreams to life in a stylish statement in your very own Barbie world!
