

VELVET BED HEAD

15.18.08

EASY

WHAT YOU'LL NEED

- 5 packs of 4 x 12inch square 'Semco' canvases
- 3m of Laundry Crushed Velvet
- 3m of Wadding
- Staple gun
- Staples
- Scissors
- Ruler
- Cardboard

INSTRUCTIONS

- Step 1.** Draw a 35cm x 35cm square onto card to create template.
- Step 2.** Trace around template onto the back of velvet fabric 20 times and cut out.
- Step 3.** Repeat step 2 with the wadding. You should now have 20 pieces of precut velvet and wadding.
- Step 4.** Lay velvet face down onto a table, followed by a piece of the wadding. Then place canvas face down in the center.
- Step 5.** Start on one side of the canvas and staple the fabric/wadding to the frame of the canvas using the staple gun. Staple along the edge until all fabric is secure.
- Step 6.** Repeat this process on the opposite side pulling the fabric to make sure it's well stretched across the front.
- Step 7.** Once 2 sides are complete, finish the ends by folding in fabric so the corner is neat and continue securing fabric to the canvas frame with the staple gun.
- Step 8.** Repeat this process for all 20 canvases.
- Step 9.** Once all canvases are covered with fabric and wadding, they're ready to hang!
- Step 10.** Measure out the distances for hanging all the canvases together. Place hook into wall and begin hanging canvases one by one until the whole bed head is complete!
