## WASHI TAPE HORN

**e** EASY

### WHAT YOU'LL NEED

- Cardboard
- Washi tape in few different rainbow colours
- Elastic cord or ribbon
- Scissors
- Hot glue gun

### INSTRUCTIONS

**Step 1** – Trace and cut out template onto card.

**Step 2** – Stick washi tape onto the card in a stripe pattern using the colours and design of your choice.

**Step 3** – Once the whole card is covered it is now time to assemble the horn.

**Step 4** – Roll the card into the horn shape and stick the overlapping card together using a hot glue gun. Hold in place until the glue has set.

**Step 5** – Create two small holes near the bottom of the horn on opposite sides.

**Step 6** – Cut a piece of elastic cord and thread each end through the holes – make sure the cord is big enough to go around a child's head.
