**Step 5.** With fabric strip wrong side up centre a ½" strip of fuse under down one long side ½" in from each end. Using a hot dry iron fuse in place then set aside to cool. Repeat for all 20 fabric strips.

**Step 6.** Remove backing paper from the first strip, fold in half lengthways and using a hot dry iron fuse in half. Repeat for all remaining strips – 20 x ½" strips. Separate strips into 2 sets of 10 one of each colour in each set.

## WEAVING

**Step 7.** Place one set of 10 strip vertically the other horizontally and weave together to create the base.

**Step 8.** Pick up one side and from the left number the strips 1-10. Weave strip 5 through strips 6-10; weave strip 4 through strips 6-10; weave strip 3 through strips 6-10; weave strip 2 through strips 6-10; weave strip 1 through strips 6-10. Place a holding clip at the top to hold in place.

**Step 9.** Repeat step 8 for remaining 3 sides.

**Step 10.** To connect the sides continue weaving, pulling the strips to tighten. Fold strips over to the inside and use clips to hold in place.

**Step 11.** Working on one top pair at a time weave ends in on the inside using tweezers or crochet hook to help pull ends through.

**Step 12.** Put a small amount of glue between the layers along the top edge using clips to hold together until glue is set.
